

Students, parents, and the school community here at Helen J. Stewart School now have access to SafeVoice. SafeVoice is a tip reporting system where students can report threats to the safety and well-being of their friends with the guarantee that the reports will be received and responded to 24/7. Tips are delivered to a team here at the school who will reach out to the students of concern. The reports are anonymous unless the reporter chooses to share his/her name.

To learn more about SafeVoice visit www.safevoicenv.org. To send a tip you can download the app on an Apple and Android, visit safevoicenv.org and click Make a Report/Haga un Reporte, or call 833-216-7233 (SAFE). SafeVoice should be used with respect for the saving tool it is; prank and false reporting may receive consequences.
