Hello Partners,

9/8/2020

The Bureau of Vocational Rehabilitation (BVR) and the Bureau of Services to Individuals who are Blind or Visually Impaired (BSBVI) has changed the way applicants can apply for our services. As of September 8, 2020, we will no longer accept paper applications and will have all future clients apply for services through our new online process. If you are working with an individual with a disability, who would like to be referred to BVR/BSBVI please have them do the following...

Go to our Website (best viewed using Chrome):

https://detr.nv.gov/Page/Rehabilitation_Division_Bureau_of_Vocational_Rehabilitation

1. Watch the Orientation Video, which is available in English, ASL, Spanish and with Subtitles
2. Apply for services by Hitting the Vocational Rehabilitation tab → Apply Here
3. Fill out form completely, including any accommodations that you might need to participate in services.
4. Your application will be sent to our global scheduler and they will reply to the individual who applied to schedule a virtual meeting with a Rehabilitation Counselor.

If your client needs assistance with the application process, they can contact our Southern Office at 702-486-0388 or our Northern Office at 775-823-8112.

Thank you!
